Prescribing Legal Health: Supporting Early Intervention to Improve Health Outcomes

PLEASE JOIN US TO LEARN MORE ABOUT THE LINKS BETWEEN HEALTH AND JUSTICE

The Justice & Health Partnership pilot project is a an exciting new initiative funded by the Law Foundation of Ontario, which is designed to focus on the intersection between legal rights and the social determinants of health. These partnerships promote holistic, client-centered care. They work to prevent legal problems from escalating and adversely impacting health.

With Special Guest Speakers From :

The Peterborough 360 Nurse Practitioner Led Clinic
St. Michael's Hospital Health Justice Program
Occupational Health Clinics for Ontario Workers
Community Advocacy & Legal Centre

We will also share insights from the evaluation of the first phase of our Justice & Health project and, with the help of guest speakers, discuss the possibilities these partnerships create for improving health & enhancing access to justice for people living in poverty.

Location: Peterborough Public Health, 185 King St, Peterborough, ON K9J 2R8
Anstruther & Buckhorn Lake Rooms, 2nd Floor, Peterborough Public Health
Scent and smoke free facility.

Lunch will be provided at 1:00pm.

The forum will start at 1:30pm with our speaker panel and a workshop to follow.

Please see the draft agenda on our website for more information.

This event is free of charge.

Please RSVP by emailing singhj@lao.on.ca or call 705 749 9355. Please respond by November 20th if you require ASL interpretation or FM devices.
